SOUNDTRACK by Louie Giglio (Parents Invited!)

This Summer will be different on Wednesday Nights. We understand that attendance is scattered throughout summer due to vacations and camps and family activities. Thus, the summer schedule is more chill and laid back. We will start a Louie Giglio video series called *Soundtrack* on May 12th. It is 4 sessions about worship being the soundtrack for the Story of God. Louie invites us to "Join the story. Awaken to the music. Live the Soundtrack. Amplify His song." Clint Mann will also return to lead worship in May and July. Parents are invited to come, participate in worship, and learn alongside the youth!

CHAT (from a HAT)

The rest of the summer will be open forum discussion about all sorts of questions relating to the Christian life. We will have questions, videos, discussion starters to kick around within large groups and diverse student groupings. Should be fun!
